Greetings,

I am extremely excited that you would consider Rossville Schools for your child's education. Students in our small school are known by name by their teachers, by the principals, by the secretaries, and the by the support staff. Children have the opportunity to establish a solid foundation in the elementary grades, to transition safely through the awkward years of middle school, and to prepare for college, the military or the work force through their high school years. At Rossville schools we strive to equip students with the necessary tools to live a happy, healthy life and prosper after graduation.

The next several pages outline the policies and procedures for the transfer process. However, the best way to understand if Rossville Schools are the right fit is for you and your child to visit. Parents today are given several options when looking at educational opportunities for their children, and we appreciate your efforts to find the best education available. Rossville Schools have a well-established reputation for excellence in academics, in athletics, and in the arts. Our school community continues to have high expectations for all the students we serve. I encourage you to review the attached documents, reexamine the information located on our web site, www.rcsd.k12.in.us, like us on Facebook, follow us on Twitter, or give us a call at 765-379-2990 to set up a time to visit.

We look forward to meeting you.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Hanna".

RE: Considering Transfer to Rossville Schools
DATE: April 24, 2018

The Indiana Legislature amended the Indiana Code concerning education through House Enrolled Act 1381. HEA 1381 requires the governing body of a school corporation to annually establish the number of transfer students the school corporation has capacity to accept in each grade level, and the date by which request to transfer into the school corporation must be received by the governing body. The Board of Education established July 1, 2018, as the date for which transfer requests must be received. Additionally, the following capacity levels have been established for each grade level:

Grade Level	Maximum Enrollment
Kindergarten	66
1 st Grade	66
2 nd Grade	72
3 rd Grade	96
4 th Grade	72
5 th Grade	92
6 th Grade	100
7 th Grade	100
8 th Grade	100
9 th Grade	100
10 th Grade	100
11 th Grade	100
12 th Grade	100

The Board of School Trustees recognizes that a parent of a child must be a legal resident of the Rossville Consolidated School District in order for the child to attend its schools. The Board recognizes it has the authority to accept transfer students and it is the intent of the Board that all applicable laws in regard to student transfers shall be strictly enforced. A transfer student is one whose legal settlement is not within the boundaries of the Rossville Consolidated School District.

Requests by parents, guardians, or custodians of Indiana students who do not reside in the Rossville Consolidated School District but who wish to enroll their child in the school corporation will be considered for enrollment under the following conditions:

1. A student requesting transfer shall complete the Application for Transfer of Non-Resident Student and submit it to the Rossville Consolidated School District Superintendent's Office prior to the deadline for acceptance of transfers as determined by the school board. Transfers will be considered on a yearly basis.
2. The parent, guardian, custodian, or student agrees to provide his/her own transportation to and from the school.
3. Capacity for each grade level in each building as determined annually by the Board of School Trustees will be a consideration as to whether the student will be admitted or a random drawing will be necessary to determine who will be accepted. A random drawing will take place in a public meeting of the school board when the number of eligible transfer applicants exceeds the capacity of the grade level. When determining capacity space needed for resident students, current transfer students, siblings of such students, and employees' children will be taken into consideration.
4. When applicable, the parents, guardians, or custodians agree to pay the transfer tuition in a timely manner as established by the Superintendent.

Under no circumstances will a transfer student be accepted for athletic reasons.

The building principal and superintendent shall deny a transfer request based on one or more of the following criteria:

1. The student has been suspended or expelled for more than ten (10) school days in the twelve (12) months preceding the request for transfer.
2. The student was suspended or expelled for possessing a firearm, deadly weapon, or destructive device in the preceding twelve (12) months.

3. The student was suspended or expelled for causing physical injury to a student, school employee, or visitor to the school.
4. The student was suspended or expelled for violating a drug or alcohol rule.

Students transferring to this Corporation from other schools or school corporations shall be placed in those classes or at those grade levels for which their previous educational experiences appear to qualify them. The School Corporation reserves the right to change or modify such placements on the basis of later information, testing, or investigation.

The Board of School Trustees authorizes the Superintendent to accept all requests for a student to transfer into the Rossville Consolidated School District. If the student is enrolled prior to the fall semester ADM count date, transfer tuition will not be required to be paid. If the cash transfer student is enrolled after the fall semester ADM count date, transfer tuition will be required to be paid.
